Now comes Joseph Michael Harris with a petition for a Great Writ of Habeas Corpus seeking immediate release from custody challenging that;

- 1) the indictment fails to charge an offense against the laws of the United States because no jurisdiction has been ceded or accepted over the place where the criminal activity is alleged to have occurred
- 2) the trial court is without subject matter jurisdiction under 18 U.S.C. § 3231
- 3) the 18 U.S.C. § 982(g)(1) criminal statute exceeds the power of Congress as applied to petitioner's conduct because it violates his due process rights secured under the 5th amendment, and encroaches on the sovereignty and jurisdiction of the State in violation of the 10th amendment and the fundamental principles of federalism

Respectfully Submitted
